### mmmm A Quick Juan

go on holiday to Benidorm quite a lot and last year I stayed near a building site. One day, after sunbathing, I was feeling rather horny, so I decided to go on the balcony with my favourite vibrator and a rather large dildo.

After ten minutes of playing with myself, I heard shouting and whistling and looked over to see about ten builders all watching me.

Some of them even had binoculars and it turned me on knowing they had a clear view of what I was doing.

I decided to put on a real show and really went to town on my pussy, pushing the dildo deep inside my cunt and circling the vibrator around my clit.

I wanked myself off with the

Sure enough he pulled out his big hard cock and wanked as I fucked myself with the dildo and we both came at the same

The next day I was walking past the site when this same builder came running down and told me his name was Julio and he wanted to meet later to fuck me.

How could I refuse?

Later that evening, there was a knock on my door and I opened it completely naked to find Julio and his mate Juan grinning back at me.

They carried me to the bedroom and dumped me on the bed.

One of them slipped a finger inside my bum while the other rubbed my clit.

the first of many orgasms tore through me.

Julio licked me good and deep, then pulled himself up and thrust his cock inside me.

I groaned into Juan's massive prick as Julio fucked my pussy, then rolled over so that I was on top of him.

Juan rubbed some suncream into my arse, then followed this up with his 9in dick, so that I was doublepenetrated.

This was a dream come true and I grunted and groaned as two hard cocks fucked me at the same time, until eventually the guys came inside me.

Both my holes were dripping with cum and I loved every second of it.

And that was just one of my many holiday adventures. I'll write and tell your readers all about some of the others soon.

Dee, Lancs.

dildo, and came with such a force that I completely soaked the mattress.

Then I pulled the dildo from my pussy and sucked my own juices off.

The next day I got the mattress and dildos out again, and armed myself with a pair of binoculars.

One of the builders shouted over to me, so I indicated that I wanted him to wank off at

Five prick-hungry MILFs go mad in this cracking release from Private. The set up is simple – a load of guys want to either watch their missus getting reamed or need a hand doing it, and the tarts are all more than game. Covergirl Yasmin takes an anal seeing-to from her brace of beaus and she just cant get enough of it, while Macy's pint-sized fella needs a pro-woodsman to help him keep up with her needs. Top of the class has to be Nikyta, though, who uses her pussy and arse to great affect on her fella, while hubby looks on admiringly. I did, too!

A very belated Happy New Year. I've been in Spain for the last few weeks, so I must have missed an issue or two of Escort, but I'll pick up the Feb issue as soon as I can. I've been reading (and wanking along to) Escort for donkey's years - I'll be 70 next year, and I've seen lots of changes, mostly for the best, I have to say. Shaven cunts, no age limits to the models, stockings and high heels and that. I like to keep myself fit, keep my cock and balls shaven and wank as much as possible. I also like wearing stockings and high heels myself from time to time - and I know quite a few other guys do as well. It's a kink I got into years ago thanks to a fabulous lady with whom I did pretty well everything imaginable, and she used to love me fucking her doggy-style while kitted up - and I certainly never complained! Sadly she emigrated to Canada some time later, but I still have fantastic memories of our time together! Fred. Hertfordshire.

Glad to hear you've still got plenty of lead in your pencil at 70, Fred. I've known quite a few men who look very fetching in stockings and heels, too – I reckon everyone ought to give it a try, really...

I had to put pen to paper to say just how much I loved Lady Maya from Birmingham in Vol 37 No 2. I was well turned-on by her body and her beauty, and can't believe she's actually 51! I'm afraid I had no choice but to do exactly what she wanted me to do and

cover her in loads of spunk – and I great pleasure it was doing it, too! Thank you so much, Maya – I hope I'll be seeing you in Escort again soon!

Paul, Manchester

There's nothing wrong with being 51,

Paul – as Maya shows all too clearly!

Loved the pix of Alexa at the tyre shop. If she's got a thing about tyres, she'd be most welcome to come for a shoot at the one I work at. At least she would if my boss was away – the lads would make her feel most welcome

Ad-Maya!

the old slappers on show here aren't quite that old, there's no doubting their hunger for cock! There's over 2 hours of GILF action on offer here, so if you've had enough of watching callow young things getting see-to, this has got to be the perfect corrective. Available from your local sex shop.

distance. Feeling him watching me as I cleared away my notes and fiddled with my briefcase made my pussy swell and tingle, and the gusset of my knickers rubbed unbearably on the sensitised flesh of my fanny. And, despite my nervousness, an insistent throb started deep in my loins. Out of the corner of my eye I saw him coming towards me and I couldn't help wondering what his cock looked and felt like. Ryan wasn't particularly good-looking but he was well built and I had the feeling his prick would be thick and hard.

"Goodnight, Mary," Ryan said, lingering back a little. I smirked and replied in hushed tones.

"Ryan! That's disgusting," I told him, suddenly horny as hell. I saw that he was hiding an enormous erection in his trousers and my primal urges got the better of me. "Lock the door then." I told him. He

my legs and cupped my damp mound through my pants. He tugged the gusset of my knickers to one side and slid his fingertip back and forth over my slippery entrance before dipping it in up to the knuckles. Then, with his finger thoroughly oiled in my juices, he began wantonly fingering my arsehole. His finger slipped easily up into my anus and I shuddered with obvious pleasure and, keeping it buried deep, he dropped to his knees and, with his other hand, pushed my skirt up and yanked my knickers down around my knees. The thought of me sitting there, knickers down with this young guy's head between my legs made me quiver with excitement and I thrust my fingers through his mousy blonde hair just as his pointy tongue lapped at my clit. Unable to

> help myself, I pushed his head further onto my snatch, feeling his nose against my bud as his mouth ate out my hole and

I didn't even cared that we might've been caught.

Having my pussy licked and sucked was fantastic, especially as it had been such a long time, but I was desperate to feel his cock inside me. "Fuck me," I told him, gasping, "Fuck

me hard and deep."

Ryan didn't need telling twice. Within seconds I was bent over the desk with his deliciously fat dick stuffed up my snatch. I think he must have been a bit nervous too, because his strokes were slow and tentative but what I needed fast and furious.

"Harder." I insisted. "please, fuck me as hard as you can."

Ryan started pumping me for all he was worth, using his whole length to pleasure me as he pulled me back onto

His thrusts got so deep I thought the desk would collapse from the force of my body heaving backwards and forwards across it. His balls slapped noisily against my cunt lips and I could hear him panting heavily behind me. I slipped my hand down and toyed with my clit, rubbing it in time to his frenzied thrusts. I could feel my juices oozing out of my slot and my nipples were hard and throbbed with each thrust of his stiff rod.

Perhaps not surprisingly Ryan came first. I felt his body stiffen and he rammed hard up inside me one last time, his prick twitched and he pulled out, spurting thick wads of spunk over my open fanny and my arse cheeks as I worked my fingers hard on my clit and brought myself off in front of him.

Thinking of the long drought ahead, I decided to make the most of Ryan's company. His cock was still twitching when I took it into my mouth and licked the blended mixture of my pussy cream and his spunk from it. To my delight it began growing and, as it stiffened, I lapped my smooth head then pressed it up against the roof of my mouth. I reached under him, cupping his hairy balls and all too soon made him come a second time.

I was desperate to taste his come so kept my lips clamped around his prick as he pumped a great wad of sticky spunk into my mouth. I swallowed every drop and licked his cock clean for good measure. @

looked at me in amazement. "Are you serious?"

"Go and lock the door and do what you reckon you want to do then. Ryan rushed to the door, locked it and pulled the blind down as I sat back

#### Happy Snapper

decided to give my boyfriend a special treat for his birthday this year and advertised in the local paper for a photographer to take adult pictures of me.

I got three replies and opted for the guy with the sexiest voice, Dave.

We arranged for him to come round when my boyfriend was out playing football, and I dressed nice and sexy for him - short skirt, black top, black panties and lace-topped stockings and knee-length boots.

When he arrived, he confessed he hadn't done much of this sort of thing before, so we decided to shoot a few undle shots before going for the harder stuff.

Fortunately, my panties were quite see-through, and I could

tell Dave was getting quite flustered as he pointed his camera up between my legs.

Finally he told me to take my panties off, so I slipped them down my legs and felt a buzz of excitement as I showed off my neatly-trimmed cunt to a stranger for the first time.

My leas were wide open, so I played over my clit as Dave got closer and closer.

I was starting to feel really horny now and managed to pluck up the courage to ask him if he could take some pictures of us fucking.

He looked astonished, but agreed straight away and rigged his camera up to its remote control.

the bed and pulling the zip down over the bulge in his trousers.

Well, I don't need telling what to do when a hard cock is pointed in my direction and

ily as I wanked it into my mouth and I felt a filthy flush of horn every time the camera clicked.

a completely stranger in my own bedroom, but I just couldn't resist.

I knelt in front of him and carried on licking his cock from the base to the tip as I jiggled his balls, though I never took my eyes off the camera.

My pussy was incredibly wet by this point, so I manoeuvred

him onto the bed and bent forward on all fours.

Dave got behind me and I felt his rock hard cock ease into my tight, wet cunt.

I pushed back onto him and moaned with pleasure as his enormously hard prick speared me to the hilt.

I begged him to fuck me and he started to pump me for all he was worth, the remote control in one hand, my tits in the other.

His hand settled on my arse and my moans grew even louder when he slid a finger up my willing arsehole.

To finish me off, he rolled me onto my back and eased my legs apart.

He eased himself inside and fucked me until I came all over his cock, capturing my orgasm on camera.

Then, with one last grunt, he pumped me full of hot, creamy cum.

Sadly, these pictures are way too rude for even Escort to print, but my boyfriend certainly approved when he saw them.

Dave even waived his photographer's fee, telling me that I'd already paid him more than enough.

Holly, London.

had it in my mouth in a flash. I licked and sucked it greed-

It felt so naughty sucking off

# Gash in The Attic

clubbing later and that's why she was dressed so scantily.

Lisa led him up sexiest stockings.

We have a loft ladder and as she climbed up it to open the attic hatch he couldn't possibly have missed the fact she wasn't wearing any knickers! eyes she sank to her knees and unzipped me. She was slowly wanking

"SHE BOBBED HER HEAD
UP AND DOWN ON MY COCK,
DEEP-THROATING ME AND
SLICKING MY SHAFT."

the stairs, where the man had a good eyeful of the back of her thighs and may have noticed that she was wearing her sheerest,

Lisa was a little nervous but really enjoyed controlling the situation. She let the chap get up into the attic then came into our bedroom, where I was hiding.

She placed my hand on her mound and I could feel the heat flowing out of it. Then she pushed a couple of my fingers into her receptive hole - she was already soaking wet

With a wicked look in her

me off and stroking my balls when the chap shouted down.

"I'll be there in a minute," she called, and put my bloodengorged cock in her mouth.

isa and I have to tell your readers of a recent flashing experience that even now still gets us horny. Lisa was dressed like she is in these photos and I had arranged for a local loft conversion firm to visit and provide a quote.

I told Lisa to explain to the builder when he came that I had popped out for a few minutes and he could carry on with checking out the loft.

I was actually hiding and listening upstairs.

Lisa said the guy's eyes were on stalks when she opened the door to him. His gaze kept wandering down to her pert tits and silk-covered mound.

She invited him in, saying that she was going out

She felt so good and I don't think my cock has ever been as hard. She bobbed her head up and down on my cock, deepthroating me and slicking my shaft with saliva.

It wasn't long before I was groaning and dying to spunk. She pulled me out and wanked me off till I sprayed jets of cum all over her tits. She massaged it in then pulled her top down over her sticky boobs.

You could see some emerging wet patches on her as she straightened herself out.

"Maybe I'll suck the builder off too!" she whispered to me.

The builder was quite young and seemed awfully nervous as Lisa listened to him. She wasn't quite brave enough to give him the come-on but they're coming back next week.

When he'd left we had a frantic fucking and sucking session before going out to do some serious flashing in the local Portsmouth pubs.

Jason, Portsmouth.
